

# Notice and Invitation Letter for 2026 International Conference on Optimization: Techniques and Applications (ICOTA2026)

Dear \_\_\_\_\_:

2026 International Conference on Optimization: Techniques and Applications (ICOTA2026) will be held from April 10 to 12, 2026, at the Shanghai Fuyue Hotel in Songjiang District, Shanghai, China. The conference is organized by Shanghai University of Engineering Science and hosted by School of Mathematics, Physics & Statistics at Shanghai University of Engineering Science.

The conference program will include keynote speeches, invited sessions, and free presentation sessions. We cordially invite you to participate in ICOTA 2026. The registration fee covers conference attendance and the conference materials package. Transportation, accommodation, and meals are to be arranged and covered individually by participants. No subsidies will be provided. Please pay the registration fee as required.

For detailed conference information, please visit the official website:

<https://jcxysues.edu.cn/ICOTA2026/>
